MIX BOTOXX LIVING

Activator that works to reduce volume without taking away the vitality and natural malleability of the hair. With smooth perfume, Vivants is inspired and recreated in the best concepts of treatment and beauty, proposing greater self-esteem and satisfaction to an increasingly daring and demanding audience.

BOTOXX LIVING MASK

A more economical version of Botoxx Living Gloss. Works to reduce volume without taking away the vitality and natural suppleness of the hair.

BOTOXX POST

Noble actives ensure greater durability of the treatment for those who treated the hair through the Botoxx process. An excellent composite kit per shampoo 300 ml and mask with 500g. Maintenance that ensures vitality and the natural malleability of the bones.

MIX CACAU BRAZIL

The benefits of Cocoa are expressed in an excellent smoothing for the wires! It is rich in Magnesium, a mineral that fights hair loss. It also comprises high levels of antioxidants that delay aging and minimize the early fragility of the threads, in addition to promoting vitality, polishing and shine.

MIX CACAU CRYSTAL

Activator that works to reduce volume without taking away the vitality and natural malleability of the hair. with smooth perfume, Vivants is inspired and recreated in the best concepts of treatment and beauty, proposing greater self-esteem and satisfaction to an increasingly daring and demanding audience.

TURMALINA PRECIOUS

Tourmaline energy is a source of inspiration! We adapt the concepts of beauty to the positive energy that transmits when you are in good self esteem. In this smoothing gloss, we propose the attraction of beauty. A lot of brightness, a lot of life and a lot of lightness are here!

*The shine and energy of
Tourmaline in your hair.*

TURMALINA PRECIOUS

Tourmaline energy is a source of inspiration. Lots of shine, lots of life and a lot of lightness are ensured in this treatment. With rich formulation and balanced, keeps the hair treated and with a salon effect.

MIX CAVIAR PROTEIN

Caviar is rich in nutrients and includes Carbohydrates, Vitamins and Lipids, as well as many essential minerals that neutralize the astringent action on the hair. It seals the cuticles, realigning the layers, promoting high nutrition and long life to the hair.

HYDRAT CAVIAR MASK/POST

Noble actives ensure greater durability of the treatment for those who treated the hair by the smoothing process based on caviar. One excellent kit consisting of 300ml shampoo and 500g mask.

MIX GOLD & DIAMOND

We create a smoothing gloss formulated from minerals found in noble oils (Argan, Ojon, Pequi) that restructure the skin and smooth 100% all types of hair, promoting high hydration, very shiny and silky.

GOLD & DIAMOND POST

Noble actives ensure greater durability of the treatment for those who treated the hair using the Gold & Diamond smoothing process. One excellent kit consisting of 300ml shampoo and 500g mask. It provides high hydration, a lot of shine and silkiness to the hair.

*The shine of gold
and the beauty of diamonds
are our inspirations*

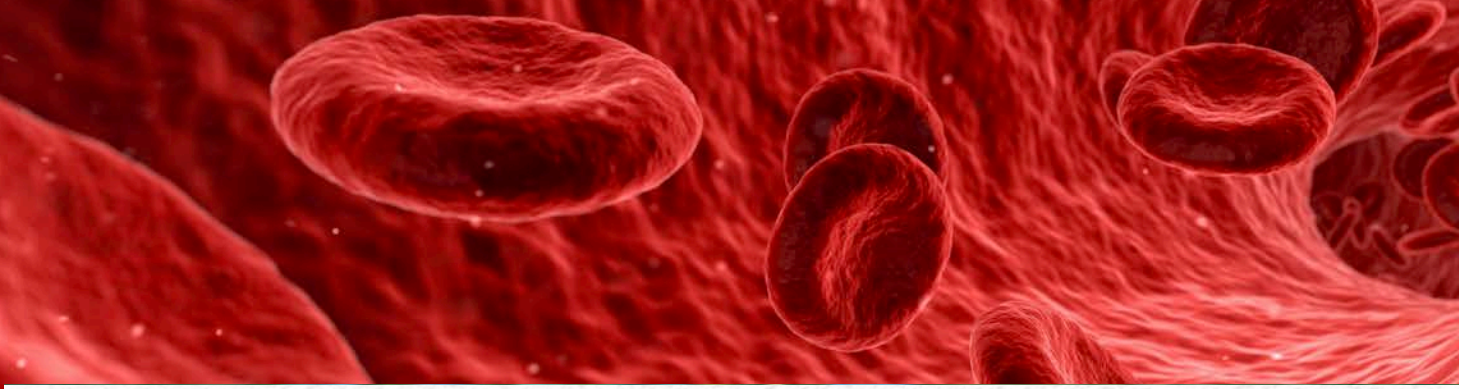

MIX PROTEIN HONEY

Some benefits of protein for hair are increased strength, volume and conditioning. We associate this blend with Honey from the Amazon and promote total smoothing through the amino acids and keratin also present in its formulation. Comes with Home Care Kit for continuity of treatment.

Rich in vitamins and moisturizing properties, honey helps nourish hair, promoting shine, softness and strengthening strands.

COLLAGENO RESTORE

Collagen-based smoothing eliminates dullness in the hair. Collagen is a protein and carries the property of binding between tissues. We ensure 100% smoothing without removing the natural weight of the hair. Its action also delays aging and balances elasticity

Collagen: young hair for life

COLLAGENO POST

One excellent kit consisting of 300ml shampoo and 500g mask. Composed of Proteins that make the connection between the tissues. Your action in hair also slows aging and balances elasticity.

PROTEIN CHOCOLATE

Collagen-based smoothing eliminates dullness in the hair. Collagen is a protein and carries the property of binding between tissues. We ensure 100% smoothing without removing the natural weight of the hair. Its action also delays aging and balances elasticity

Discover the power of chocolate in your hair: intense hydration, deep nutrition and irresistible shine in each strand!

PROTEIN CHOCOLATE POST

One excellent kit consisting of 300ml shampoo and 500g mask. Composed of Proteins that make the connection between the tissues. Your action in hair also slows aging and balances elasticity.

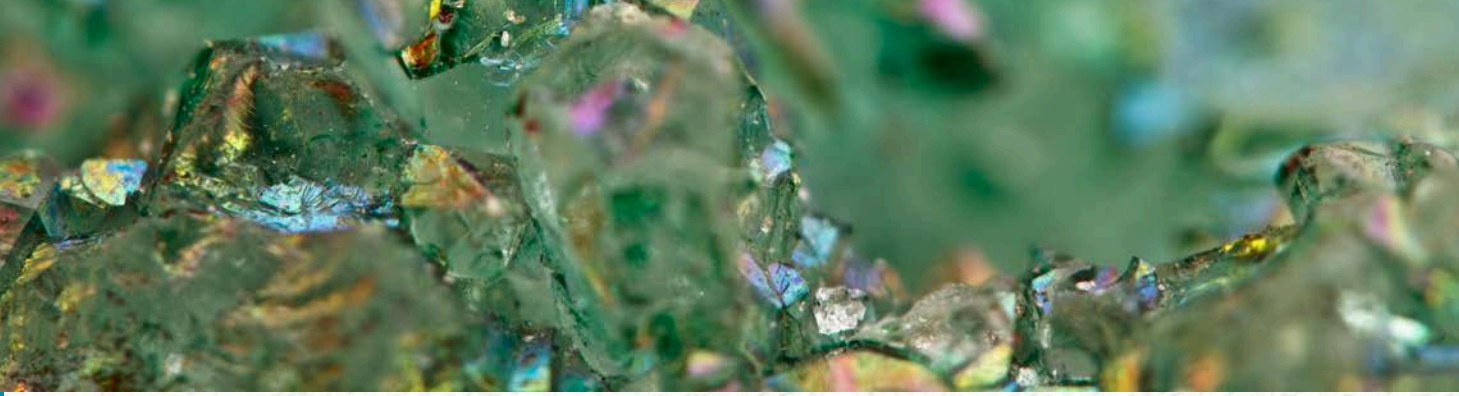

OMEGA 3 LINE

We associate Omega 3, precious oil naturally extracted from the bonds formed from proteins, to develop a smoothing and maintenance treatment that ensures vitality to the threads. Comes with Home Care Kit for continuity of treatment.

Omega 3 is the secret to stunning hair: it strengthens, hydrates and boosts healthy growth, ensuring radiant, bouncy strands!

CRYSTAL PRECIOUS

Hair straightening, high polishing power and 4D shine. Home Care maintenance that will keep hair smooth, treated and healthy for much longer.

Enjoy a long-lasting and incredible straight effect, without compromising the health of your hair!

CASHMIR

Recommended for reducing volume and replacing hair mass, Cashmir Vivants Gloss aligns the hair cuticles, being suitable for all hair types.
